Facts

A new prog metal star is rising: Liquid Horizon! Dive into a universe of great melodies, a perfect sound and high class lyrics. Dive into THE SCRIPT OF LIFE!

After ten years of hard work, great live shows all over Germany, after two EPs and two full length albums (all self-released), the prog metal outfit Liquid Horizon from Southern Germany finally releases their official debut THE SCRIPT OF LIFE. The album was recorded in the band's own studio. Mixing and mastering was done by Markus Teske (Saga, Vanden Plas, Mob Rules etc.) in his Bazement Studios.

Majestic melodies, an outstanding voice (Oliver Kilthau) and powerful songs influenced by bands like Dokken, Savatage and Dream Theater are the ingredients for THE SCRIPT OF LIFE. Listen and get hooked on Liquid Horizon!
